

Carl Jung was a 20th Century Swiss psychologist whose contribution to science was a theory known as the “universal unconsciousness” which in a nutshell, no pun intended, means that *all* human beings are part of some enigmatic unified great cosmic mind out there, again no pun intended. (If this sounds like a major step towards the monochromatic world of Orwell’s 1984 and our very own impending Illuminati American/New World Order slave state gulag with a nice 21st Century technology grid overlay you would be correct). To prove his point he documented that all the world’s supposedly differing mythologies stem from the same source, the early ‘gods’ of ‘mythology’ who created mankind. As crazy as this guy might have been he was definitely on to something here. As a specific example, one of these common gods or archetypes is the ‘sun’ god or ‘son of god’ common to all cultures. All were born December 25th when the actual sun begins its annual ascent from its low point in its orbit relative to Mother Earth. In Ancient Egypt this would have been Horus, ‘son’ of Isis and Osiris, Mithra, ‘sun’ god of Persia, Krishna, ‘sun’ god of India, Dionysus, ‘sun’ god of Greece and most importantly Jesus, ‘sun’ god of Israel. Now this is one of those instances where a definite correction needs to be made. The Bible NEVER specifies the birthdate of Jesus Christ, the real One. The “Christians” who deemed December 25th as His birthday were none other than the sham Roman Catholic Church; who themselves got the date from its Babylonian/Egyptian paganism roots emanating from the soon to be defunct Roman Empire. Nonetheless, here are examples of just how widespread this concept of ‘archetypes’ is in relation to this sun or sun of god example from our old standby, Manly Hall, Mouthpiece of Masonry:

Celestial Virgin

From Lenoir's *La Franche-Maçonnerie*.

THE EGYPTIAN MADONNA.

Isis is often shown with her son Horus in her arms. She is crowned with the lunar orb, ornamented with the horns of rams or bulls. Orus, or Horus as he is more generally known, was the son of Isis and Osiris. He was the god of time, hours, days, and this narrow span of life recognized as mortal existence. In all probability, the four sons of Horus represent the four kingdoms of Nature. It was Horus who finally avenged the murder of his father, Osiris, by slaying Typhon, the Spirit of Evil.

Egyptian Madonna

From Manly Hall, “The Secret Teachings of All Ages: An Encyclopedic Outline of Masonic, Hermetic, Qabbalistic and Rosicrucianism Symbols”

So in the left image we see the “World Mother” emanating from her birth canal ILLUMINATED with the rays of the sun and with “the Christ Child” i.e., the ‘sun’ or ‘son’ of god in her arms. This concept of a “Madonna” stemming from Ancient Egypt (in this case her ‘sun’ is Horus or the four kingdoms of nature) is also shown in the right side image. This “World Mother”/sun of god concept shows up in all fake religions from Ancient Egypt to Roman Catholicism to Hinduism. As an aside it also shows the confusion of the “New” Agers. This so called “World Mother” supposedly gave birth to everything yet she is the daughter to the Sun god Ra. And her husband/brother Osiris would morph over time in to just about everything accredited to the “gods” of Ancient Egypt; some of it contradictory. For instance he’s considered the god of eternal life and agriculture yet he resides in the underworld as the god of the dead. It’s very difficult to pin this whole thing down. Whether one believes the Bible or not these blatant inconsistencies don’t exist. As I’ve stated numerous times on this website it’s literally impossible to figure out all these “New” Age pagan gods and their specific roles. Essentially, the “New” Age is one, big, self-contradicting complex mess and evil to the core.

This supposition is illustrated, once again because as you’ll shortly see the person/myth sitting at the core of most, if not all of the world’s fake religions, is an enigmatic evil character by the name of ‘RC Christian’.

Therefore, this is probably a good time to spell out some very key differences between Jesus Christ, the real One and *all* these ‘archetypes’ that sit at the core of *all* the fake religions of the world. Let’s categorize.

1. ‘I am’

First, there’s no doubt Who He is. For instance God, the real One, utilized the phrase ‘I am’ numerous times throughout the Old and New Testaments to establish who He is. Here’s God, the real One, speaking in Ezekiel, one of the more prophetic books in the Old Testament:

And I will send a fire on Magog, and among them that dwell carelessly in the isles: and they shall know that I am the LORD. 7 So will I make my holy name known in the midst of my people Israel; and I will not let them pollute my holy name any more: and the heathen shall know that I am the LORD, the Holy One in Israel. 8 Behold, it is come, and it is done, saith the Lord GOD; this is the day whereof I have spoken. (Verses 39:6-8)

This passage is one of those places “New” Agers will point to that mean ‘ol Yahweh mercilessly slaughtering the innocent. But hopefully I’ve been able to convey the evil and deceptions He’s dealing with throughout this website or if not you’ll see this when proceeding to the rest of the links on this discussion of RC Christian. And notice His hatred of false idols; keep this thought in mind. In the New Testament, Jesus Christ, the real One, makes this unambiguous claim in John’s Gospel:

Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. 7 If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him. (Verses 14:6-7)

Agree or disagree with Christ's Divinity He leaves no doubt where He stood or even that He physically existed and when He did. By the way, He did exist; even historians that loathe Christianity admit this. And for His timeframe well just figure out what year it is and count backwards. As you'll see, this contrasts with our new friend RC Christian in that it's literally impossible to pin the guy down; "he" jumps back and forth between "history" and "legend" with alarming ease and it's anyone's guess when "he" actually existed or even if he *physically* existed at all. In summary, RC Christian is all about ambiguity not to mention his advocacy of a 90% worldwide population reduction (see **new age** page). Therefore, "he" is directly contrary to Jesus Christ, the real One, or "anti-Christ".

2. False idols

Secondly, as we've already seen, God, the real One, hates false idols and idol worship and physical symbols in general. Even the so-called "Christian" cross is an abomination. The first three Commandments don't pull any punches as Moses writes in Exodus:

And God spake all these words, saying, 2 I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. 3 Thou shalt have no other gods before me. 4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth. 5 Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; 6 And shewing mercy unto thousands of them that love me, and keep my commandments. 7 Thou shalt not take the name of the LORD thy God in vain; for the LORD will not hold him guiltless that taketh his name in vain. (Verses 20:1-7)

Again, we see this concept of "I am" in conjunction with false idols and another example of that mean 'ol Yahweh as we've just discussed. As an aside, His "jealousy" is His disappointment in Israel (in reality a representation of ungrateful mankind as a whole) and their constant rebellion against Him. Humans are given a free will and many times choose false gods and religions like say RC Christian which in turn leads to nothing but death and destruction. Getting back, this hatred of false idols is in direct contrast to our new friend, RC Christian; he *loves* physical idols and symbols. In fact, you'll see "his" very symbol IS a cross, the "Rose-Cross". (If you've read the **new age** page this concept should sound familiar, the 18th or "Rose-Cross" Degree of Freemasonry ties directly into Skull and Bones, the "666" of the beast of Revelation and...TA DA the radical environmental movement). So again, RC Christian's wholesale use of idols and symbols is directly contrary to Jesus Christ, the real One, or "anti-Christ".

3. Fake places of worship

Thirdly, it's not only idols and symbols that God, the real One, hates but large ornate buildings we know as Cathedrals. This is not to say He hates gatherings but these monstrosities of masonry from Saint Peter's in the Vatican to Saint John's the Divine right here in Mystery, Babylon USA are another form of an abomination as the Book of Hebrews laments:

For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us: 25 Nor yet that he should offer himself often, as the high priest entereth into the holy place every year with blood of others; (Verses 9:24-25)

Jesus Christ, the real One, speaks directly to this concept in John's Gospel:

Then answered the Jews and said unto him, What sign shewest thou unto us, seeing that thou doest these things? 19 Jesus answered and said unto them, Destroy this temple, and in three days I will raise it up. 20 Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days? 21 But he spake of the temple of his body.

So Jesus Christ wants the focus on Him and not on large stone buildings. This isn't an exercise in narcissism, the rationale is relatively simple; when you start idolizing things it takes your focus off God, the real One, and His rules. Soon the things, whether they be a fake cross or large cathedral, become the focus and His rules become secondary. And when His rules, as exemplified by the 10 Commandments, become secondary, all hell breaks loose, pun intended. As you'll see, RC Christian loves Cathedrals and the Temple of Solomon itself, particularly the two columns in the entryway (and so does our very own Barak Obama; see **Rivers of Life** link on the Mystery, Babylon USA page). But unfortunately for RC Christian (and Barak Obama), the rest of "his" followers in the Illuminati and the "New" Age movement they are a day late and a dollar short as we've just seen with all their false idols and buildings.

4. Human sacrifice

Fourth, God, the real One, does demand sacrifice for the forgiveness of sins in the original or Old Testament as per this passage from Leviticus:

And the LORD called unto Moses, and spake unto him out of the tabernacle of the congregation, saying, 2 Speak unto the children of Israel, and say unto them, If any man of you bring an offering unto the LORD, ye shall bring your offering of the cattle, even of the herd, and of the flock. 3 If his offering be a burnt sacrifice of the herd, let him offer a male without blemish: he shall offer it of his own voluntary will at the door of the tabernacle of the congregation before the LORD. 4 And he shall put his hand upon the head of the burnt offering; and it shall be accepted for him to make atonement for him. 5 And he shall kill the bullock

before the LORD: and the priests, Aaron's sons, shall bring the blood, and sprinkle the blood round about upon the altar that is by the door of the tabernacle of the congregation. 6 And he shall flay the burnt offering, and cut it into his pieces. 7 And the sons of Aaron the priest shall put fire upon the altar, and lay the wood in order upon the fire: 8 And the priests, Aaron's sons, shall lay the parts, the head, and the fat, in order upon the wood that is on the fire which is upon the altar: 9 But his inwards and his legs shall he wash in water: and the priest shall burn all on the altar, to be a burnt sacrifice, an offering made by fire, of a sweet savour unto the LORD. 10 And if his offering be of the flocks, namely, of the sheep, or of the goats, for a burnt sacrifice; he shall bring it a male without blemish. (Verses 1:1-10)

It becomes readily obvious that God is running His chosen people through loops to satisfy His payment for sin. But ultimately He is never satisfied with animal sacrifice for human sin. However, He presented Himself as that sacrifice or “Lamb of God” in the form of Jesus Christ, the real One as John’s Gospel explains:

The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world. (Verse 1:29)

In particular, He never demanded human sacrifice. True He demanded a perfect sacrifice but He came and sacrificed Himself. Contrast this with all of these ancient gods and cultures and human sacrifice and death are plentiful. This human sacrifice (most of it to “Mother Earth”) can be traced right back to...RC Christian.

5. Contacting “Ascended Masters”

Finally, divination, the art of contacting spirits or “Ascended Masters” like say RC Christian, is strictly forbidden as God, the real One, spells out in Deuteronomy:

When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations. 10 There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch. 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12 For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee. (Verses 18:9-12)

Notice in Verse 9 He refers to “those nations”; this is reference to the mother of “New” Age thought and “Ascended Masters”, Ancient Egypt. Go into any “New” Age bookstore or the “New” Age section of the popular chains and you can see for yourself the gross violations of this rule as the “New” Agers tell us how to contact so-called “spirit guides” or “Ascended Masters”. As documented on this website and further in the links as part of this particular discussion *all* this paganism traces back to Ancient Egypt. And as already thoroughly documented in Section 3 of “The THEorY of LIVEvolution” and

more so here, one of the favorite “Ascended Masters” is “The Count of Saint Germaine” or RC Christian.

6. False work

This one may be a little tricky but please follow. There is NO ‘work’ that is acceptable to God, the real One, for salvation. He presented Himself as Jesus Christ, the real One, and this ended any premise that mankind must do ‘good works’ or obey ‘the law’ to get to heaven. This is illustrated in Galatians:

Knowing that a man is not justified by the works of the law, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the law: for by the works of the law shall no flesh be justified. (Verse 2:16)

The rationale is that once you start requiring ‘works’ to get to heaven you end up with anything goes mentality. For example, the Roman Catholic hierarchy basically requires that you contribute financially to it to gain access to ‘heaven’. And it had its fair share of ‘works’ like the Crusades where invasion, death and destruction were acceptable ‘works’ because they were in the name of God. In Islam, the only ‘work’ that guarantees entry into heaven is suicide bombing the ‘infidels’. Even in Hinduism and Buddhism nobody can say what or how much good ‘works’ are required to get you in to ‘heaven’. True they may do many good things but this ultimately very depressing, “will I make it or will my bad works cause me to re-incarnate into something awful after death?” Orthodox Jews claim to have the path to ‘YHWH’ but they’re obsessed with keeping the *laws* of God and not the *Word* of God, as exemplified by Jesus Christ, the real One.

The key is to understand that you already have salvation based on the sacrifice of God by Himself in the form of Jesus Christ, the real One, and then go from there. Good works are absolutely expected once you have salvation; but again Christianity negates the insanity or dread of *all* the world’s fake religions. This concept is summarized in Titus:

That being justified by his grace, we should be made heirs according to the hope of eternal life. 8 This is a faithful saying, and these things I will that thou affirm constantly, that they which have believed in God might be careful to maintain good works. These things are good and profitable unto men. 9 But avoid foolish questions, and genealogies, and contentions, and strivings about the law; for they are unprofitable and vain. (Verses 3:7-9)

So as not to get too off track let’s conclude with the ‘work’ God, the real One, hates most; that of idol and false gods worship especially among His chosen people and those that should know better like say “The Late Great USA”:

And they made a calf in those days, and offered sacrifice unto the idol, and rejoiced in the works of their own hands. 42 Then God turned, and gave them up to worship the host of heaven; as it is written in the book of the prophets, O ye

house of Israel, have ye offered to me slain beasts and sacrifices by the space of forty years in the wilderness? 43 Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon. (Acts 7:41-43)

(What's really interesting here is that on the **Bohemian Grove** link see Mystery, Babylon USA page it turns out our 'conservative' industrial leaders like David Rockefeller show up every year for male only pagan love fest that culminates in the worship of a large burning owl named 'Molech'. So it seems that our ILLUMINATED criminal masters have really chosen the wrong god according to God, the real One.)

In summary, I have just laid out categorically that the concept of any false god is the very antithesis of Jesus Christ, the real One, making him "anti-Christ". And unfortunately, "he" not only he is behind just about every fake religious system of history, "he" is "prowling around like a lion" in our society today, 2009 as is spelled out in I Peter:

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: (Verse 5:8)

Need proof? Read the following links in this discussion.

For now suffice it to say 'someone' named RC Christian has been prowling around like a lion since the advent of recorded history and now advocates the elimination of 90% of humanity as per the Georgia Guidestones (see the **new age** page and/or Section 3 of "The THEorY of LIVEvolution).
