

The following are excerpts from a letter attributed to high level Freemason Lucifer/Satan worshiper Albert Pike as alluded to in the introduction. Many well respected and intelligent pundits that I listen to on You Tube (you'll never hear them on FOX SNEWS) are lambasting Donald Trump for getting us into an unnecessary war with Iran that could very well lead to nuclear World War 3. One is Judge Andrew Napolitano who of course along with outspoken war critic Tucker Carlson are no longer welcome on FOX SNEWS so you can see that FOX is just another mouthpiece of 'the conspiracy'. The Judge along with his many respected guests are absolutely correct to lambaste Trump, the neocons and the American "Christian" Zionist crazies (another scam for another time) for putting us on a path to World War 3. But are they missing the big picture? As with the "Federal" "Reserve" system that's about to implode on us all ([DOGE is a mathematical joke in front of the "Federal" "Reserve" scam](#)), are those that *really* run the world this stupid? If everyone outside of the FOX/CNN establishment so called news knows how utterly crazy it is to start a war with Iran that could very easily lead to World War 3 is there something else really going on here? Are we being choreographed into a Third World War?

Let's take a quick review of the prior lies regarding the first two world wars and a few other wars in between.

"Progressive" sellout Woodrow Wilson promised to keep the US out of the European war which allowed him to secure a narrow re-election win in 1916. (He also gave us today's scam economy known as "the Fed"). Along with this Wilson's Rockefeller handlers who owned or controlled much of the media disseminated multiple lies to get us involved in World War 1. The most well-known of which was the sinking of Lusitania. The Lusitania was illegally carrying war supplies to England when Germany sunk it. This killing of 'innocents' was the spark that lit the fuse of America's involvement in World War 1. Prior to this there was absolutely no interest among Americans to get involved in a European war. But we couldn't let the now much maligned 'Huns' (derogatory name for Germans) get away with murdering innocent Americans. So now to liar in chief "President" Wilson and his Rockefeller "Fed" handlers had their war. World War 1 resulted in a decimated Germany with whom we had no issues with prior to our involvement World War 1.

First World War, check.

Concurrent with the events of World War 1 was the 'spontaneous' rise of communism in formerly czarist Russia. This was all a scam brought to us by the same Luciferian devils (read Rockefeller) interests that gave us "the Fed". This is thoroughly documented in Anthony Sutton's book "Wall Street and the Bolshevik Revolution".

But I digress.

The decimated Germany was in bad shape socially and economically; this created a power vacuum that was filled by one Adolf Hitler. As documented in my book "The UN-American Genocidal Complex" (<https://theoryoflivevolution.com/page2.html>) Hitler's rise to power, both philosophically by the American Darwinists/eugenicists and economically/industrially was provided by the same devils (Rockefeller related interests) that gave us "the Fed". And according to some the US government knew about Pearl Harbor ahead of time (see "Day of Deceit" by Robert Stinnett). This of course galvanized the US into World War 2; another foreign war Americans showed little interest of getting involved in. World War 2 resulted in the UN, the nexus of the push for world government which includes the giant "climate emergency" scam (see The Inconvenient Scientific

Method <https://theoryoflivevolution.com/page3.html>) all brought to us by, you guessed it, Rockefeller interests.

Second World War, check.

The Vietnam War to fight the communists over there so we don't have to fight them here was another scam initiated by the so-called Gulf of Tonkin incident which by multiple accounts never happened. And many American industrialists were trading with communist Russia (which they created) while Russia was helping the North Vietnamese communists. Another win for the Luciferian new world order military industrial complex and loss for the tens of thousands poor American dead and wounded not to mention untold numbers of Vietnamese.

Now in the last several decades we had the scam of so-called "Syrian girl" who blatantly lied about Saddam Hussein pulling babies off incubators in Kuwait to play on the emotions of America to get us involved in the first Gulf War in 1990 (by the way I guess most never heard of Planned Parenthood when it comes to murdering babies). Then of course the whole weapons of mass destruction scam of the Second Gulf War which cost us thousands of brave veterans' lives and limbs, trillions of dollars, a million or so innocents killed and an Iraq worse off than when the war began. And according to over 3,000 non-partisan engineers and architects the collapse of the buildings in NYC was physically

impossible per "our" government's story <https://www0.ae911truth.org>.

And now we have the whole aforementioned current Iran/Israel war charade which produces more lies and obfuscations every day as we're led like a runaway freight train into nuclear Armageddon. So "our" government/media complex that lies about everything else (see [\(TH\)EverYthing is a LI\(V\)E](#) on the home page here) and has been lying to us to get us into major wars for almost one hundred years is now getting us involved in another cataclysmic war which could very well lead us into nuclear World War 3.

Third World War, check?

Most frightening to say the least- as the world begins to despise the US even more and we unravel socially and economically at home- we are headed directly into the [MYSTERY, BABYLON USA](#) scenario thoroughly documented on this web site.

Albert Pike Letter to Mazzini

The Illuminati Plan for 3 World Wars, August 15, 1871

The following is a letter, that speculation claimed that Albert Pike wrote to Giuseppe Mazzini in 1871 regarding a conspiracy involving three world wars, that were planned in an attempt to take over the world. The Pike letter to Giuseppe Mazzini was on display in the British Museum Library in London until 1977. This letter has been claimed by many internet sites to reside in the British Library in London, which denies the letter exists.

- Giuseppe Mazzini was an Italian revolutionary leader of the mid 1800s as well as the Director of the illuminati
- Albert Pike (historical Masonic figure) was a 33rd degree Freemason, Occultist, Grand Master and creator of the Southern Jurisdiction of the Masonic Scottish Rite Order

Following are apparently extracts from the letter, showing how Three World Wars have been planned for many generations.

"The First World War must be brought about in order to pennit the Illuminati to overthrow the power of the Czars in Russia and of making that counny a fortress of atheistic Communism. The divergences caused by the "agentur" (agents) of the Illuminati between the British and Gennanic Empires will be used to foment this war. At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions."

"The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, International Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm."

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mptually destroy each other.

Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion... We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil.

Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will extenninate those destroyers of civilization, and the multitude, disillusioned with christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.

This manifestation will result from the general reactionary movement w^hich will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."
