Part 2

What DID Happen on August 5, 2016?

@RobRoselli

Why do I ask? As stated before it just so happens to be the day after the 55th birthday of one Barack Hussein Obama. I can just blurt out that this has everything to do with worship of the Ancient Egyptians as August 5 is the most recognized date of the helical rising of the dog star Sirius which served as a sign of the beginning of the annual Nile Flood and the Egyptian New Year which in turn is VERY significant to our Illuminati overlords.

At the time of the writing I wasn't sure what was going to happen on August 5, 2016. But I knew something WAS going to happen and something DID happen. At the time of the original article I wasn't sure what IT was but that's no longer the case. But let's build up to "IT".

The companion article to this one entitled What Will Happen on August 5th, 2016 is posted here:

<http://www.theoryofliveevolution.com/numerology-of-obama-nation.html>

Let's return to the mystery man of the hour, the multi-named, multi-birthplace, no political background, no known collegiate transcript Barack Hussein Obama-Soebarkah-Barry Soetoro, the consummate image of the beast who we can safely call Pharaoh Barry king of the New Testament nation of Egypt or MYSTERY BABYLON USA....

Here's the general outline:

1. Gematria of Pharaoh Barry
2. Bible
3. Satan John's the Divine Cathedral, MYSTERY, BABYLON USA
4. ISIS and OSIRIS re-visited
5. Incidentals
6. August 5th, 2016
7. The Near Future

1. Gematria of Pharaoh Barry

In Greek and Hebrew each letter of the alphabet doubles as a number. This is very similar to Roman numerals which are still used in English today. **Gematria** is the practice of calculating the numeric

equivalent of words and phrases by adding up the numbers associated with each letter. For our purposes let's discuss two types of gematria, simple and common.

A. Simple Gematria

In Simple Gematria each letter of the alphabet is assigned a numerical value based on its relative position in the alphabet. So, simply, A=1. B=2. C=3 and so on. Taking the image Obama's first name of "BARACK" we get this:

B=2
A=1
R=18
A=1
C=3
K=11
36

The number 36 is 1/6 of 216 (6x6x6), a number was discussed at length in the previous article. More importantly, the summation of all numbers 1 through 36, i.e., $36+35+34...+1 = 666$.

B. Common Gematria

In Common Gematria each letter is assigned a value of in increments of 6. So A=6, B=12, C=18 etc. Again taking "BARACK" we this:

B=12
A=6
R=108
A=6
C=18
K=66
216

The number 216 is the numerical product of 6x6x6. It also happens to align with his supposed birth date of August 4, the 216th day of the year. The connections to 216 were discussed at length in the previous article. For our purposes here the point is that the man with no set name or a real birth certificate has an assigned name and birth date that just so happen to align with the number 216 or 6x6x6.

2. Bible

A. Judges 4:6

In the previous article the connection was made between the 6606 (666 dropping the 0 which is just a place holder in occult numerology) and the name "Barak", the son of Abinoam which when re-organized yields "In Obama". This could be 'coincidence' just like everything else written in these two articles.

But the Strong's Concordance of the Bible has a very interesting meaning assigned to "Abinoam". The definition according to Strong's (H1, H42 and H5278) is "Father/pleasant, grace, splendor". So Obama is the son (or 'sun') of the pleasant father. And it gets 'better'.

According to our criminal Illuminati overlords our 'father' is none other than the Egyptian Osiris or Greek Apollo whose all-seeing illuminated eye just so happens to stare at you from the back of the fake debt instrument Federal Reserve Notes which we in the unwashed masses call 'money'. And mind you that all seeing eye just so happens to be the 14th level on a 13 level Pyramid of Giza and 14 is representative of the Egyptian sun god Osiris or the Greek Apollo.

B. Barak

The name 'Barak' itself (or Baraq) according to Strong's Concordance (H 1299-1301) is "lightning, glare, bright, shining". Are you following this? The complete blank slate who could have any name in the world just so happens to have a Biblical name that means bright shining son of the pleasant father.

Let's continue.

C. Lightning

In several other places in the Bible 'lightning' is associated with Divinity, either an angel of God or Satan himself. At this point you should realize that the new world order crowd and its image of the beast radical abortionist war monger modern day Egyptian Pharaoh Obama are not Born Again Christians so that narrows the choices down a bit. In Luke 10:18 Jesus remarks "I saw Satan fall like lightning from Heaven", an obvious referral to Satan's ejection from Heaven as told in Revelation 12. According to Strong's Concordance of the Bible, the lightning here refers to definition G 796 with the same basic language, lightning, bright, shining. Then Strong's refers the reader to G 792 (aster) where it refers to a 'star'.

Now this is getting interesting. The word 'star' itself (e.g., Revelation 8:10-11 and Revelation 9:1) appears throughout the New Testament and represents both good angels (i.e., those that never rebelled and stuck with God) and bad angels (those that followed Lucifer/Satan). Strong's G 792 then refers to what would seem an odd connection, G 4766. The connection is a figurative one that implies a covering, a spreading as over a bed like a bedspread. The bright light makes one blind in a figurative or spiritual sense. So now this passage in John 9:39-41 now makes a whole lot more sense:

³⁹ And Jesus said, For judgment I am come into this world, that they which see not might see; and that they which see might be made blind.

⁴⁰ And some of the Pharisees which were with him heard these words, and said unto him, Are we blind also?

⁴¹ Jesus said unto them, If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.

These Pharisees were not literally blind so obviously their sight is similar to the 'sight' Satan/Lucifer gave to Adam and Eve way back in the Garden of Eden which just happens to be same spiritual sight represented by the open illuminated eye of Apollo/Osiris on the back of your Federal Reserve debt instrument commonly known as the dollar bill. But it gets even 'better'. The idea of spreading on beds and making one blind brings to mind this passage from Proverbs 7:8-27:

Passing through the street near her corner; and he went the way to her house,
⁹ In the twilight, in the evening, in the black and dark night:
¹⁰ And, behold, there met him a woman with the attire of an harlot, and subtle of heart.
¹¹ (She is loud and stubborn; her feet abide not in her house:
¹² Now is she without, now in the streets, and lieth in wait at every corner.)
¹³ So she caught him, and kissed him, and with an impudent face said unto him,
¹⁴ I have peace offerings with me; this day have I payed my vows.
¹⁵ Therefore came I forth to meet thee, diligently to seek thy face, and I have found thee.
¹⁶ I have decked my bed with coverings of tapestry, with carved works, with fine linen of Egypt.
¹⁷ I have perfumed my bed with myrrh, aloes, and cinnamon.
¹⁸ Come, let us take our fill of love until the morning: let us solace ourselves with loves.
¹⁹ For the goodman is not at home, he is gone a long journey:
²⁰ He hath taken a bag of money with him, and will come home at the day appointed.
²¹ With her much fair speech she caused him to yield, with the flattering of her lips she forced him.
²² He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks;
²³ Till a dart strike through his liver; as a bird hasteth to the snare, and knoweth not that it is for his life.
²⁴ Hearken unto me now therefore, O ye children, and attend to the words of my mouth.
²⁵ Let not thine heart decline to her ways, go not astray in her paths.
²⁶ For she hath cast down many wounded: yea, many strong men have been slain by her.
²⁷ Her house is the way to hell, going down to the chambers of death.

This whorish woman is the MOTHER OF HARLOTS mentioned in Revelation 17. But the bit about the bag of money. That brings to mind this passage in chapter 13:26-30 of John's Gospel which clearly identifies her husband who carried the bag of money just like Judas did:

Jesus answered, He it is, to whom I shall give a sop, when I have dipped it. And when he had dipped the sop, he gave it to Judas Iscariot, the son of Simon.

²⁷ And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly.
²⁸ Now no man at the table knew for what intent he spake this unto him.
²⁹ For some of them thought, because Judas had the bag, that Jesus had said unto him, Buy those things that we have need of against the feast; or, that he should give something to the poor.
³⁰ He then having received the sop went immediately out: and it was night.

Earlier the Pharisees had covenanted with Judas for thirty pieces of silver:

¹⁴ Then one of the twelve, called Judas Iscariot, went unto the chief priests,
¹⁵ And said unto them, What will ye give me, and I will deliver him unto you? And they covenanted with him for thirty pieces of silver.
¹⁶ And from that time he sought opportunity to betray him. (Matthew 26 13-16)
(See also Zechariah 11)

So basically 'God's Chosen People' made a covenant with Satan himself. And this is the crowd that gave us the Kabalah, which has as its core teaching the serpent climbing the tree of life and serves as the backbone to this sequence of groups in the post-Christ era: Catholic Church > Knights Templar > Freemason Cathedral Builders > Enlightenment Thinkers (John Dee, Agrippa, Francis Bacon, Isaac Newton, etc.) known as the Rosicrucians (i.e. Rose + Cross mentioned later) > The Invisible College > British Royal Society > Rothschild Bankers > Bavarian Illuminati > American Illuminati (Skull and Bones) > British Round Table Groups > Federal Reserve Banking Scam > Council on Foreign Relations/Biderberg/Trilaterals/CIA > Barack Hussein Obama Barry Soetoro Soebarkah > Pharaoh Barry.

This is a very quick overview and in general, though not exact, chronological order as many of these groups rise overlap and many are still around. For our purposes these are the modern day Egyptian high priests of finance and banking that gave us Pharaoh Barry.

Also, keep in mind that the serpent climbing the Tree of Life (as our Satanist overlords see the Tree of Life) promising "light" and "Illumination" as represented by "lightning" is the backbone to the Jewish Kabala which in turn is the backbone to our entire Satanic government that gave us the sun of Satan or image of the beast now known as Pharaoh Barry.

Keep an Illuminated eye on this 'Tree of Life'; it will pop up again, I promise.

D. Psalm 46

In a ceremony on the tenth anniversary of 9/11 Pharaoh Barry read the 46th Psalm at the site of the former Twin Towers in lower Manhattan. The problem is Barry is about as Christian as one of his inspirations, former Red Chinese revolutionary leader and genocidal maniac Mao. His Federal Government goons attack the Little Sisters of the Poor for refusing to provide abortion coverage to its employees while the Congressional weasels and Pharaoh are exempted from the whole sham. So Obamacare demands abortion coverage. This is the same Obama who had a Crucifix covered over in a speech he gave at Notre Dame University several years back.

Yet he reads the 46th Psalm at the 10th Anniversary of 9/11. It just so happens to be the 666th chapter from the end of the King James Bible. Satanists are well known for symbolizing their rebellion against God by doing things backwards such as reciting the Lord's Prayer in reverse. (Be sure to read the author's note at the end in regards to the in your face occult ceremony that 9/11 actually was). So in essence we have the image of the beast reading the 666th chapter from the back of the Bible on the tenth anniversary of what amounts to a large scale occult sacrifice provided by the Egyptian high priests of Pharaoh Barry one in the same with our criminal Illuminati elite.

Here we have yet another "coincidence" in the aggregate of lies that is the image known as Pharaoh Barry. And we are not even close finished.

Isn't this fun?

3. Satan John's the Divine Cathedral, MYSTERY, BABYLON USA

The Knights Templar gave rise to the cathedral builders throughout Europe. This is discussed at length in the following places on my web site:

Section 3 r. and Appendix A of my first book THEory of LIVEvolution: "Great" Society of the UN-Dead.

<http://www.theoryofliveevolution.com/files/Cathedrals.pdf>

<http://www.theoryofliveevolution.com/files/8Cathedrals.pdf>

But if you're busy and beaten down like most Americans and don't have the time and/or energy to go back that far, the upshot is that Cathedrals in general are nothing more than Freemason constructs dedicated to the MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH and 'her' dead husband, the Egyptian Osiris/Greek Apollo/Sumerian Nimrod that in turn is represented by a certain Illuminated open eye. Lest one think I jest here's a copy of "your" Federal Reserve debt instrument umm money alongside the roof of Satan John's which is also the front cover of my first book:

The "Great" Seal on "your" "Federal" "Reserve" "note"

The roof of the Cathedral Church of Saint John the Divine. Home of the REAL environmental movement.

So the Knights Templar Cathedrals are nothing more than post Jesus Christ Egyptian stone pyramids. Hard as it is let's try to keep the focus on Pharaoh Barry.

A. 106/601

When one takes the guided tour of Satan John's you're told that the length of the place is 601 feet. The cute answer is that the Freemasons who built the place venerate the number 7 (which they do). In Freemasonic symbolism the individual numeral values of large numbers are added together to yield one of the first nine integers. So in this case, $6+0+1 = 7$.

But it goes much deeper than that. The number 601 is the 'reflection' of 106 which just so happens to be the age of Robert Christian, the mysterious builder of the Georgia Guidestones discussed in the companion article linked here:

<http://www.theoryofliveevolution.com/numerology-of-obama-nation.html>

As with Satan John's itself, I have several book's worth of information posted on Robert Christian on my web site:

http://www.theoryofliveevolution.com/RC_Christian.html

Without going off into too much of a tangent, suffice it to say he is directly related to Hiram Abiff of Freemasonic lore who in turn is directly related to the aforementioned Osiris/Apollo/Nimrod. The concept of reflections is of supreme importance with the Emerald Tablet which was a series of writings that were the basic teachings of the legend of 'Hermes Thrice Great' a character of 'mythology' (or history?) who stands at the center of New Age occultism. He also equates to the 'legendary' god of wisdom Thoth of Egypt who in turn equates to the Greek god Hermes. All of these gods of 'wisdom' equate to 'Robert Christian'. The key phrase of the Emerald Tablets is 'as above, so below'. This is reflected, no pun intended, in the Jewish so called Star of David that represents this concept with two opposing triangles, one pointing up representing visible life and the earth and the opposition one pointing down representing the divine or heavenly realm.

And interestingly enough, 601 just so happens to be the age of Noah at the end of the Flood in Genesis. The Freemason associated high priest class venerates the Bible and connects Noah to its legendary hero Hiram Abiff. And in Satan John's we 'pilgrims' are told the roof over the entry way or nave (from where we get our word navy) actually represents the hull of a boat not unlike the solar barque of the pre-Christ era Egyptian Pharaohs.

Getting back, in terms of Pharaoh Barry we have his supposed birthday (that nobody knows for sure) that just so happens to be in the year '61. Recall from before that in gematria the 0 is just a place holder so $106 = 16$ and the reflection of 16 or $61 = 601$. And 61 just so happens to be the 18th ($6+6+6$) prime number.

But much more importantly in the Tarot Card deck the 16 card is represented by lightning striking a stone tower which basically represents Satan (lightning) destroying the earth (i.e., killing off 90% of its population with war, famine and economic calamity per the Georgia Guidestones) so that it can be rebuilt again into a more perfect world. Tarot Cards are mentioned prominently in a book entitled "The Original Account of the Teachings, Writings, Rites and Ceremonies of the Hermetic Order of The Golden Dawn". This book is one of the cornerstones of the "New" Age and the type of crap in which our Satan worshipping overlords/Pharaoh Barry's high priests are well studied.

So now you can understand Pharaoh Barry's drive for war, famine, economic calamity and United Nations one worldism. No Pharaoh Barry, the sun of Satan, is NOT incompetent as many so-called conservative pundits would have us believe. He's doing what the sun of Satan would do if he were put in charge which in turn is exactly what his high priest devil worshipping psychopathic Illuminati overlords want him to do: murder all the uninitiated. In case you're lost this is known as 'genocide'.

And best of all we're not done yet.

B. 120

The 'cornerstone' of Satan John's was laid on December 26, 1892. Although this date was close to 120 years to the day of the Mayan end date of December 21, 2012 it wasn't quite exact. And it's not a coincidence this number matches Moses' age of death, 120 years. Our Bible studying Freemason Satan worshipping overlords consider Moses another offshoot of the Greek Hermes/Egyptian Thoth or Horus (i.e., the sun of the sun god).

Getting back, it is now readily obvious our criminal elite love numbers and dates. But I couldn't quite make the connection a few years back.

Thanks to Pharaoh Barry that connection can now be made. It turns out that Saint John's Day or December 26 in the year 2012 (which just so happens to be the first day AFTER Nimrod/Apollo/Osiris' birthday of December 25th or Christmas Day) represents 216 weeks (6x6x6) to the day of the election day of November 4, 2008 of the 44th (you read about the significance of 44 in the first article on The Numerology of Obama-Nation) president known as Pharaoh Barry.

In essence, nobody knows anything about Pharaoh Barry but as we've seen his fake birthday and his faker presidency is rife with numerical symbolism.

C. Occidental (Rose) and Columbia (Cross)

As mentioned repeatedly this guy Pharaoh Barry is a blank slate. In similar fashion anything about his academic background can be made up as well. It just so happens that the popular story on the sun of Satan is that he attended Occidental College out in loony California (i.e., the west coast) and later Columbia University (i.e., east coast). Columbia just so happens to be a hop, skip and jump away from Satan John's Cathedral. (In fact the guidebook describes Satan John's as the spirit as it relates to nearby Columbia University's mind to well-known Saint Luke's Hospital body giving us the New Age Freemasonic concept of mind, body, spirit).

It's common knowledge that Pharaoh Barry has successfully blocked access to his academic background with millions of dollars spent fighting any and all Freedom of Information Act attempts to get at the transcripts from the colleges he supposedly attended. This is rather strange when one considers that to get into Ivy League Columbia University one needs top grades and this is also true to get into graduate school at Ivy League Harvard which Pharaoh also supposedly attended. So what the hell, no pun intended, is the big deal here? Just as with the still missing birth certificate just release some legitimate documents and put the whole thing to bed.

But as usual the mystery runs deep with Pharaoh Barry. According to a Citizens' Grand Jury investigation initiated by Harlem Pastor James David Manning, Pharaoh Barry Barrack Soebarkah Hussein Soetoro NEVER stepped foot on the campus of Columbia University. There's not one classmate that can recall him, one yearbook photo that places him on campus or one academic record that proves he ever attended a class there.

In Freemasonic and related occultism Occidental represents the setting sun, the west and the dead sun god Osiris/Apollo/Nimrod. And Columbia represents the Mother goddess wife/sister of Apollo/Osiris/Nimrod popularly known as Isis or Gaia ("Mother Earth"). In Satan John's Cathedral the two most prominent features on the western wall are the aforementioned cap less pyramid of Giza and a giant circular stained glass window known as the Rose Window. The rose represents secrecy and can be associated with flowers in general which in turn represent the dead sun god Apollo/Osiris/Nimrod. On the east end of Satan John's which is associated with Isis or Columbia (the goddess not University) we have the 'Great' Cross which is shined on every morning by the rising sun and represents the four elements (earth, air, fire and water) and the four cardinal directions (north, south, east and west). This is reflected, no pun intended, in the base of the Great Pyramid of Giza whose four base sides align perfectly with the four cardinal directions thus representing the earth/nature (or Gaia or THE MOTHER OF HARLOTS).

To summarize, in Pharaoh Barry we have the offspring of the dead divine father Occidental (West or Apollo/Osiris/Nimrod represented by the Rose) and Columbia (the Mother Goddess and her rising sun of god in the East).

Lest I forget this angle, it should be mentioned that the Rose + the Cross represents Robert Christian, the Rosicrucians and the Rosy Cross Degree of Scottish Rite Freemasonry or 18th (6+6+6) degree. Now this passage from Revelation 13 becomes a whole lot more interesting:

¹⁵ And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

¹⁶ And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

¹⁸ Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

D. Robert Christian, The Georgia Guidestones and Lucifer's Room

The Georgia Guidestones are covered in depth in Section 3a of "THEorY of LIVEvolution" and this link here on my web site:

http://www.theoryofliveevolution.com/files/322_Georgia_Guidestones.pdf

For our purposes here suffice it to say that they are what I consider the 'anti-10 Commandments' and align perfectly with the Rockefeller/Soros funded UN associated genocidal psychopaths in the Gaia/Columbia/Mother Earth worshipping radical environmental movement. Most importantly they were mentioned in yet another connection to Pharaoh, the number 30, in the first article of this 'series'. In addition to the connection made between Pharaoh Barry's genocidal health care plan it was noted that the Guidestones were designed and funded by a mysterious character using the name Robert Christian.

Now add this to the list: The Georgia Guidestones are located exactly 666 statute miles from the Lucifer Room at the United Nations.

What's the big deal here you ask? Well it just so happens that the Lucifer Room was inspired by a certain woman named Alice Bailey who is a stalwart of today's New Age Movement. Ms. Bailey's husband was a thirty-third degree Freemason and her works were heavily influenced by Helena Blavatsky, another founder of the 'modern' New Age Movement. Ms. Blavatsky was, according to some, a high ranking member of an early feminist organization called Eastern Star (think rising sun in the east or 'Columbia') that has a lot in common with Freemasonry (these associations are so close that some argue that Eastern Star was nothing more than the female version of Freemasonry). Technical connections aside the point here is that both of these daughters of the MOTHER OF HARLOTS (Isis/Columbia) are covered extensively in Section 3 of my book THEorY of LIVEvolution (available for pdf download on my web site). For convenience here's a glimmer of Ms. Blavatsky's beliefs right out of her magnum opus, a book called "The Secret Doctrine":

"...Lucifer is divine and terrestrial light, the "Holy Ghost" and "Satan," at one and the same time... And now it stands proven that Satan, or the Red Fiery Dragon... and Lucifer, or "Light-Bearer," is in us: it is our Mind--our tempter and Redeemer, our intelligent liberator and Saviour from pure animalism."

-- Helena Blavatsky. The Secret Doctrine. Vol. II, Pp. 513.

"To make the point clear once for all: that which the clergy of every dogmatic religion — pre-eminently the Christian — points out as Satan, the enemy of God, is in reality, the highest divine Spirit — (occult Wisdom on Earth) [...] both these Churches [Catholic and Protestant] are fighting against divine Truth, when repudiating and slandering the Dragon of esoteric (because divine) Wisdom. [i.e., Satan]."

-- Helena Blavatsky. The Secret Doctrine. Vol. II, Pp. 377-78

Reading "The Secret Doctrine" provides a window into the souls, for lack of a better word, of our criminal Illuminati devil worshipping overlords. These people really believe Lucifer/Satan got a raw deal and is a swell guy. And Blavatsky, like Lucis Trust/Lucifer Room founder Alice Bailey, admittedly wrote under the influence of an "Ascended Master" or 'spirit guide'. And one can easily get suckered in to the sick satanic world of Blavatsky and Bailey by reading portions of their books as I have. But a few quick facts demonstrate that these two New Age lovelies were nothing more than highly educated intellectually sounding devil worshippers.

One of Ms. Blavatsky's biggest fans was one Adolf Hitler. This should surprise nobody as Adolf Hitler like Blavatsky, was heavily into the occult and white supremacy and had an ongoing inter-continental love fest with the Anglo American Ivy League Darwinist eugenics establishment as fully documented in my second book, "The UN-American Genocidal Complex".

For illustrative purposes it would help to list what I call the anti-10 Commandments which are etched in stone on the Georgia Guidestones:

1. Maintain humanity under 500,000,000 in perpetual balance with nature.
2. Guide reproduction wisely — improving fitness and diversity.
3. Unite humanity with a living new language.

4. Rule passion — faith — tradition — and all things with tempered reason.
5. Protect people and nations with fair laws and just courts.
6. Let all nations rule internally resolving external disputes in a world court.
7. Avoid petty laws and useless officials.
8. Balance personal rights with social duties.
9. Prize truth — beauty — love — seeking harmony with the infinite.
10. Be not a cancer on the earth — Leave room for nature — Leave room for nature

In a nutshell these anti-10 Commandments are the rallying cry for our devil worshipping criminal Illuminati elite or the high priests behind Pharaoh Barry and their useful idiot radical environmental movement underlings.

And they were brought to us by Robert Christian or “RC” or the Rose + the Cross or 18, 6+6+6.

4. ISIS and OSIRIS re-visited

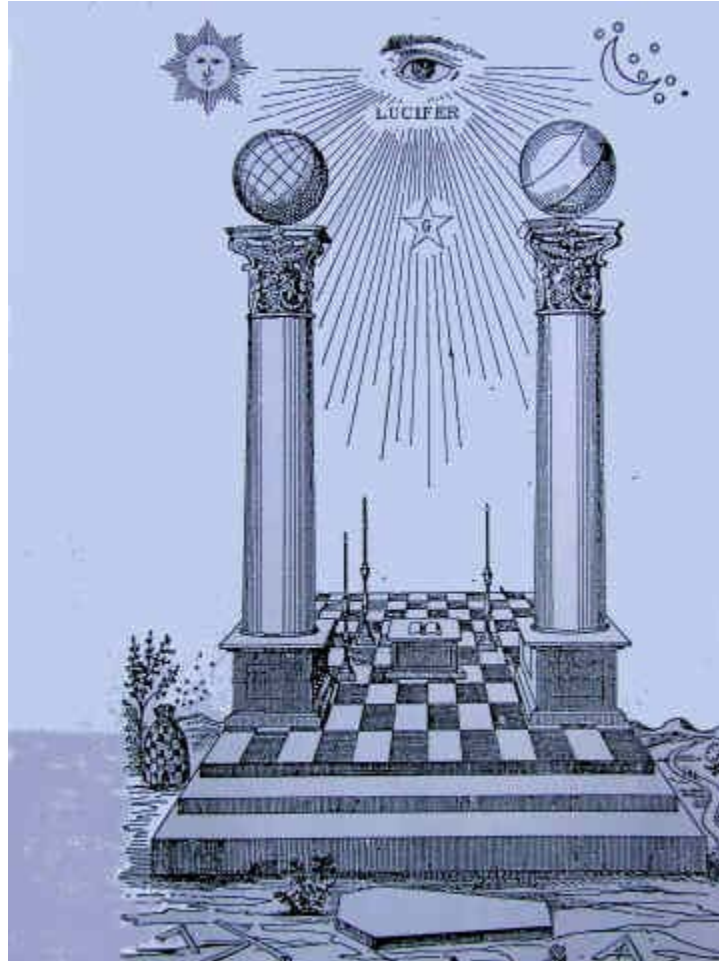

Osiris was the sun god who tried to give light or illumination to mankind but was killed by his evil brother Set (who we Christians regard as the real God). Thusly he represents Satan’s eviction from the Garden of Eden. His symbol is the sun column Boaz of the Freemasons. The setting sun in the west or occident summarizes his whole story: sunlight, killed which then becomes sunset. And in his death he becomes the god of the underworld which equates to the Greek gods Hades (or Apollyon of Revelation 9). Besides the setting sun his symbol is the rose.

Isis is the grieving sister/wife of Osiris and she basically equates to Eve in the Garden of Eden. But in her capacity as ISIS she couldn’t stand not having her mate around so she re-creates him by putting his body back together. She is represented by the Jacin or moon column of Freemasonry. She is also represented by the cross or 4 kingdoms of nature.

Hermes is the son (sun) of the male sun god Osiris (Rose/Occidental) and his sister wife female moon goddess Isis (Cross/Columbia). Hermes is the source of the word hermaphrodite which means male and female.

Let’s cut to the chase: Greek Hermes = Egyptian Thoth or Horus = Roman Mercury = Hermes Thrice Great = Sirius = Just about every sun god in history = Rose + Cross = Robert Christian = 18th or 6+6+6 degree of Freemasonry = the calculation of mark of the beast in Revelation 13:8 = Lucifer = Satan.

Lest anyone think this is tinfoil hat conspiracy stuff take a look at this symbolism associated with the pillars of Freemasonry:

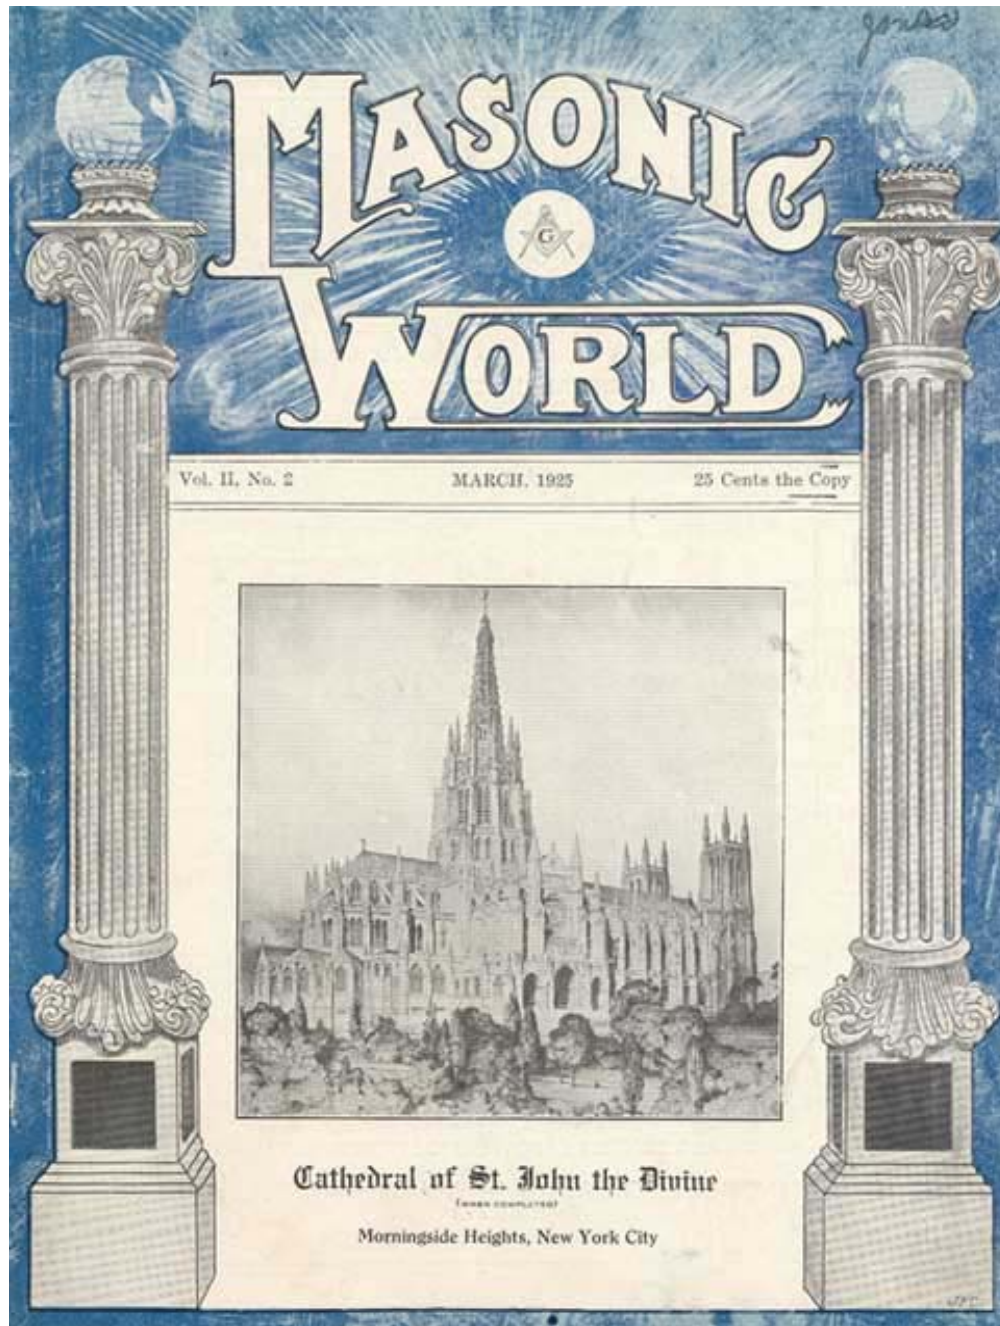

We have the sun god represented by the Boaz (Osiris/Rose/Occidental/male/father/sun) on the left with Jachin (Isis/cross/Columbia/female/mother/moon) on the right with baby Lucifer or the all seeing eye (think Genesis 3 “your eyes shall be opened” as the Serpent told Adam and Eve) being birthed in between. As an aside there’s the casket with the triple 5s that was mentioned in the previous article with the triple 5s on it. And if that’s not enough we also have the 5 pointed ‘blazing star’ of Freemasonry which is analogous to the Satanic pentagram with the “G” for Geometry or “Great Architect of the Universe” (GAOTU).

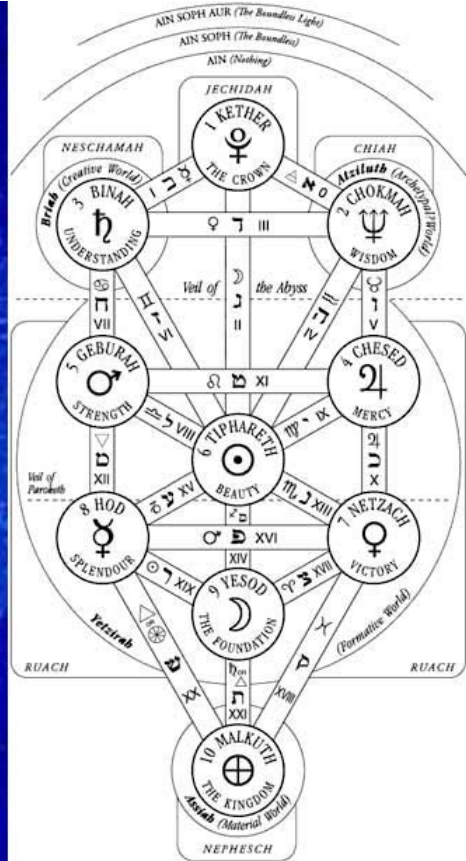

We have below the pentagram with the Satanists’ god ‘Baphomet’ or Pan or the horned god below. Take note of the hermaphroditic characteristics of the ‘horned god’ or ‘Baphomet’ below in addition to the concept of the flame, serpents climbing the tree of life, and pointing up and down which is the core teaching of the Emerald Table, that which is above is reflected in that below and vice versa.

And let's not forget Satan John's Cathedral. Here's the front cover of Masonic World magazine March 1925:

And lest anyone still thinks this is crazy here is another representation of the 'Tree of Life' mentioned earlier. The serpent climbing 3 columns (representing Jachin, Boaz and Baby Lucifer) with 22 branches (think 322) connecting the 10 numbers 0 through 9.

Where were we? Oh yeah Pharaoh Barry. Here he is presenting himself as baby Lucifer/Pharaoh or the manifestation of the sun god to the unwashed masses at the 2008 DNC:

5. Incidentals

A. Illinois State Lotto

Many 'conspiracy theorists' made light of the fact that the Illinois State Lottery Pick 3 on November 5, 2008, Pharaoh Barry's election (selection) on November 4, 2008 was 666. And Illinois Pick 4 hit 7779 on

the same night. The number 666 needs no further explanation but 7779 is significant because 7 is the number most sacred to Freemasons and 9 is symbolic of the Ennead, the Egyptian pantheon of gods including the oft mentioned 'parents' of Pharaoh Barry, Isis and Osiris. My guess is that fixing the Illinois Lotto in this manner was three-fold. One was to really honor Pharaoh Barry. The second was as another in your face stupid proles sign (just like the one dollar eye of Osiris/Apollo/Nimrod) that our satanic elites throw out all the time. The third is a bit more involved. I believe it was to set up many 'conspiracy theorists' as kooks and tin foil hat wearers since most naïve web crawling 'conspiracy kooks' would focus on this rather than the plethora information presented in the aforementioned. In other words, most will miss the irrefutable walking occult symbol that Pharaoh Barry really is and focus on 'silly conspiracy theories' like Obama and the 666 Lotto. These 'silly conspiracy theorists' then set themselves up as easy targets to be pummeled into intellectual irrelevancy by Pharaoh's walking dead supporters in the media and so called academia.

B. Pope Francis and 9/23

The Catholic Church is the number 2 candidate for the MOTHER OF HARLOTS but the whorish Queen of Heaven loses out to New York City, USA big time (). But global warming pro immigrant (except when it comes to the Vatican) Jesuit Pope Francis did show up to the US of A September 23 thru September 27, 2015. On September 27, 2015 Pharaoh Barry was exactly 54 years and 54 days old. The number 54 of course represents the summation of 3 groups of 6+6+6 added together. Alternatively, we have three eighteens and 318 according to the aforementioned Helena Blavatsky is symbolic of the Beast of Revelation but in a 'good' way according to her. And of course all these numbers, 18 (1+8), 27 (2+7), 54 (5+4) lead us to the occult number 9 or the aforementioned 'ennead' of Egyptian mythology (a whole sub-plot in and of itself).

As an aside this forewarns of 9/23/2016 thru 9/27/2016 as hugely significant to our satanic Egyptian overlords. And 9/23/2016 just so happens to represent 6 years and 6 months to the date of Pharaoh Barry's occult Rosicrucian death care bill signed into law on 3/23/10.

6. August 5, 2016

So what *did* happen on August 5, 2016? Recall from the previous article that August 5 is the most commonly utilized date for the rising of the Dog Star Sirius which to the Ancient Egyptians represented the beginning of the annual Nile Flood which in turn provided the necessary water and fluvial sediments that allowed the land to be farmed so they could feed themselves. It was brought about by their dead god Osiris who was looking to help them out from his netherworld or Hades.

And now we have the first day after Pharaoh Barry's 55th birthday. So the guy who has no official birthday not to mention a birth certificate has a birthday that gives us '555' in the year 2016 (6x6x6). Again remember that the '5' in Egyptian mythology represents the '5' hypotenuse of the 3-4-5 triangle (3 is the Osiris' phallus/obelisk vertical and 4 is the Isis womb/4 kingdoms of nature) or the offspring of 3 and 4.

Well lo and behold on August 5, 2016 we had the opening ceremony to the Rio Olympics which was nothing more than an international occult dedication to the sun god Apollo (or Osiris and Nimrod).

Here's the article from the conspiracy theorists at Reuters:

<http://www.reuters.com/article/us-olympics-greece-flame-rehearsal-idUSKCN0XH1LA>

The upshot here is the high priestess representative of Hera (Isis) lights the flame of illumination which we have already traced to the light of illumination that goes back to the Garden of Eden ('your eyes shall be opened ye shall be as gods) and resides above the forehead of the horned god Baphomet (along with the Satanic pentagram) and the garb of the Pharaoh. And the illuminated eye, of course, stares at you from the back of 'your' Federal Reserve Note.

So on August 5, 2016 we had a dedication to the sun god Osiris/Apollo which incorporates the '555' of Pharaoh Barry Obama as our Satan worshipping criminal elites, once again, rub their control and ceremonies in the faces of the unwashed masses who actually thought the Olympics were meant for sports competition.

Silly proles.

7. The Near Future

The scenario playing out worldwide isn't the one of the so-called 'prophecy experts' and their comic book anti-Christ, Great Tribulation, two witnesses and rebuilt Jerusalem Temple. It's more one of calamitous economic collapse and nuclear ambush of THE MOTHER OF HARLOTS spelled out here

<http://www.theoryoflivevolution.com/mysterybabylon.html>

But we have to incorporate our Satanic criminal overlords into the mix as they vainly try to stick to their sick schedule of events. What has emerged is that 'THEY' like hitting specific dates exactly or a specific date +1 scenario. To recap the +1 day scenario has popped up on several occasions:

11/5/2008 – The Illinois Lotto hits 666 and 7779 one day after Pharaoh Barry was elected the 44 (Horus) president of MYSTERY, BABYLON umm the United States.

3/23/2010 – The 'official' signature date of Pharaoh Barry's 'Obamacare' one day after 3/22/2010 or 30 years to the date of the Georgia Guidestones or 3/22/1980 which represents the 322 of Skull and Bones (Also remember in Luke 3 the real Christ started His ministry at 30 years of age)

12/26/2012 – The first day of the 216th (6x6x6) week of Pharaoh Barry's presidency that aligns 120 years (age of Moses or 'Hermes Thrice Great' at his death) to the day with the laying of the first cornerstone of Satan John's Cathedral, MYSTERY, BABYLON (New York City) USA on December 26, 1892. It's also one day after 12/25/2012 or the birth date of the sun god Apollo/Osiris/Nimrod most closely associated with the oft misinterpreted Mayan Apocalypse date of 12/21/2012.

8/5/2016 – One day after the 55th birth date of Pharaoh Barry's birth date on the 216th (6x6x6) day of the year that was a worldwide dedication ceremony to the sun god Apollo.

I can't say exactly why 'THEY' would hit some dates exactly with their sick ceremonies and go +1 on others but it may be related to Jesus Christ Himself. If you forget all the 'experts' and their misguided attempts to literally interpret the Bible it turns out that Jesus rose from the tomb on Sunday which represents the first of the new week or day 8 of the 7 day Creation scenario covered in the first two chapters of Genesis. So it would make sense that our anti-Christ Satan worshipping criminal overlords would mimic the same pattern in their psychopathic in your face Satanic dedication ceremonies.

With this in mind there are some key dates to watch right now:

9/23/2016 – This date was mentioned above in the discussion on the leader of the HARLOT Catholic Church and Pope Francis. The ninth month represents the Egyptian pantheon of 9 gods and goddesses known as the Ennead and the 23rd representing the 10th prime number or number of circles on the Kabalistic Tree of Life (the one with the Serpent crawling up) in the year 2016 (6x6x6). It is also 50 days (another 5) after Pharaoh Barry's 55th birth date and 49 (7x7) days after the aforementioned dedication to Apollo.

12/26/2016 – 124 years to the date of the aforementioned laying of the cornerstone of Satan John's the Divine Cathedral (December 26, 1892). The significance I can attach here is that on the guided tour of Satan John's we proles are told that the height of the ceiling of the roof above the pews that look directly east (to Columbia and her rising sun Horus) is 124 feet since $1+2+4 = 7$. That's the cute scenario and does line up with the Freemasonic obsession with the number 7. But the concept of matching time and space is huge with our Satan worshipping elites. So this number then becomes a key date, 124 years to the date of the cornerstone ceremony on December 26, 1892. It would also align with the day of Apollo/Osiris/Nimrod's birth date in the year 2016 or 216 (6x6x6).

I can't say for sure what will happen on these dates but they bear watching.

Specific dates and all this nonsense aside the most important take away for the reader is to get right with God while there's still time this link will help:

Author's Note:

This was supposed to be a short article but trying to make sense of this stuff is never easy. Of course God is in control of this whole mess so things may not go exactly according to Pharaoh Barry and his Egyptian Satan worshipping Rothschild Rockefeller et al high priest controllers. But in case you're not convinced, the concept of using dates and numbers by our Satan worshipping overlords is covered with great detail in a book entitled "The Most Dangerous Book in the World: 9/11 as Mass Ritual" by author S.K. Bain.

I do not by any means intend to belittle the deaths of 3,000 Americans in the occult ceremony known as 9/11 but if I am anywhere near correct (and I am) 9/11 was mere child's play compared with what's coming from Pharaoh Barry and his Egyptian high priest handlers.

God, the real One, help us all.
