

IV The Mystical RC Christian

If you thought trying to pin this guy down physically is a task this one is even more daunting. In order to assist in this effort let's try to break down 'his' more well known metaphysical or mystical associations throughout known human history. Before we get started the reader should note a couple of factors. There are more identities to this guy but there's enough here to make my point and substantiate what has already been documented both in "The THEorY of LIVEvolution" and on this web site. That is, *everything* associated with this guy is contrary to Jesus Christ, the real One, or "anti-Christ".

Also, I would like to do this chronologically but there's so much overlap between these identities as to make that task literally impossible. The only thing I can be sure of on a timescale is number 12, the modern manifestation of this whole mess, the UN-holy union of the Mother Earth wackos with the UFO brotherhood crackpots (and even this is debatable).

1. The Egyptian god Thoth, Greek god Hermes, Roman god Mercury
2. The Jewish Pharisees and the Kabala
3. Count Dracula
4. The Holy Grail and the Knights Templar
5. Odin/Quetzalcoatl – the Return of "THEM"
6. William Shakespeare
7. The "Great" One
8. The Modern Environmental Movement/Saint John's the Divine Cathedral
9. X
10. Theosophy
11. The Illuminati
12. Environmental UFOs
13. The (other) Sun of god
