

Job 12:6-25

The tabernacles of robbers prosper, and they that provoke God are secure; into whose hand God bringeth abundantly. But ask now the beasts and they shall teach thee; and the fowls of the air and they Shall tell thee: Or speak to the earth, and it shall teach thee: and the fishes of the sea and shall declare unto thee. Who knoweth not in all these that the hand of the Lord hath wrought this? In whose hand is the soul of every living thing, and the breath of all mankind. Doth not the ear try words? And the mouth taste his meat? With the ancient is wisdom; and in length of days understanding. With him is wisdom and strength, he hath counsel and understanding. Behold he breaketh down, and it cannot be built again: he shutteth up a man and there can be no opening. Behold he withholdeth the waters, and they dry up: also he sendeth them out and they over overturn the earth. With him is strength and wisdom: the deceived and the deceiver are his. He leadeth counsellors away spoiled and maketh the judges fools. He looseth the bonds of kings, and girdeth their loins with a girdle. He leadeth princes away spoiled and overthroweth the mighty. He removeth away the speech of the trusty, and taketh away the understanding of the aged. He poureth contempt upon princes, and weakeneth the strength of the mighty. He discovereth deep things out of darkness , and bringeth forth out to light the shadow of death. He increaseth the nations and destroyeth them: he enlargeth the nations and straiteneth them again. He taketh away the heart of the chief of the people of earth, and causeth to wander in a wilderness where there is no way. They grope in the dark, without light, and he maketh them stagger like a drunken man.

I cannot find a better *summarization* of everything I am trying to discuss. God is making some very important points here. First, He is in control of EVERYONE, even those involved in our very own shadow government who think they're ready to recreate "New Atlantis" or a new Tower of Babel here in the "Late Great USA". Today many call this 'the Deep State' which is tied directly in with the United Nations (I prefer The UN-American Genocidal Complex but this topic will be broached on future radio shows that will be posted as time goes on).

Second, He makes it very clear that He alone created EVERYTHING. If you have some time listen to the evolution debates posted on this web site (there are three):

<https://theoryoflivevolution.com/radio-interviews.html>

Evolution is purely speculative, i.e., based solely on *blind faith* in the suspension of SCIENTIFIC LAW since God cannot exist. Pick which one you're going to have faith in; the Godless fools of modern science or the Creator Himself. The choice is totally *yours*; choose wisely. For reference see Romans 1; professing themselves to be wise they became fools or I Corinthians 19-20:

19 For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent.

20 Where is the wise? where is the scribe? where is the disputer of this world? hath not God made foolish the wisdom of this world?

Thirdly, can you just not see the foolishness of “our” illustrious leaders today being made to “stagger like a drunken man”? Look around at many of our politicians today and how they’re acting and encouraging the upheaval breaking out throughout this country. And it’s not just what’s happening in this country but all over the world. We’re continuing to hear about wars and rumors of wars (Matthew 24). President Trump and Vice President Pence along with some of the more solid politicians that are left in Washington are doing the best they can, but they’re only human. And can you imagine some of these other characters that pass themselves off as leaders dealing with many of our foreign adversaries most notably China right now? And then of course there was the recent arrest of the sordid Jeffery Epstein who supposedly killed himself. And his cohort Ghislaine Maxwell has recently been taken into custody. You can read about this in more detail on other web sites but the point here is that I have to believe this is all making a lot of very powerful people very nervous just as God alludes to. I believe He’s taking the hearts of the chief people of the earth as mentioned in the passage from Job 12. So, look for more damning information to come out about the so-called Deep State in the near future as God abandons them to their own actions and decisions. And look for the Deep State to become much more desperate which makes everything even more unstable and dangerous.

In conclusion, it’s important to know that whatever happens now and in the near future is part of God’s plan and He is in control of this mess that will only continue to get messier. Not that elections are completely pointless, but I’ll take solace in that fact way above the results of the next election any day.
