

Job 12:6-25

The tabernacles of robbers prosper, and they that provoke God are secure; into whose hand God bringeth abundantly. But ask now the beasts and they shall teach thee; and the fowls of the air and they shall tell thee: Or speak to the earth, and it shall teach thee: and the fishes of the sea and shall declare unto thee. Who knoweth not in all these that the hand of the Lord hath wrought this? In whose hand is the soul of every living thing, and the breath of all mankind. Doth not the ear try words? And the mouth taste his meat? With the ancient is wisdom; and in length of days understanding. With him is wisdom and strength, he hath counsel and understanding. Behold he breaketh down, and it cannot be built again: he shutteth up a man and there can be no opening. Behold he withholdeth the waters, and they dry up: also he sendeth them out and they over overturn the earth. With him is strength and wisdom: the deceived and the deceiver are his. He leadeth counsellors away spoiled and maketh the judges fools. He looseth the bonds of kings, and girdeth their loins with a girdle. He leadeth princes away spoiled and overthroweth the mighty. He removeth away the speech of the trusty, and taketh away the understanding of the aged. He poureth contempt upon princes, and weakeneth the strength of the mighty. He discovereth deep things out of darkness, and bringeth forth out to light the shadow of death. He increaseth the nations and destroyeth them: he enlargeth the nations and straiteneth them again. He taketh away the heart of the chief of the people of earth, and causeth to wander in a wilderness where there is no way. They grope in the dark, without light, and he maketh them stagger like a drunken man.

I cannot find a better *summarization* of everything discussed in “The THEorY of LIVEvolution” and on this web site. God is making some very important points here. First, He is in control of EVERYONE, even the gang bankers who think they’re ready to recreate “New Atlantis” here in the “Late Great USA”.

Second, He makes it very clear that He alone created EVERYTHING. If you haven’t read the Science Section in the THEorY of LIVEvolution (or the Science link on the related links page by going to Mystery, Babylon, USA) evolution is purely speculative, i.e., based solely on *blind faith* in the suspension of SCIENTIFIC LAW since God cannot exist. Pick which one you’re going to have faith in; the Godless fools of modern science or the Creator Himself. The choice is totally *yours*; choose wisely.

Thirdly, can you just not see the foolishness of “our” illustrious leaders today being made to “stagger like a drunken man”? Take the radical environmental movement, one my favorites. Now the conglomeration of (very religious) fools led by high priest and financially green Al Gore must adjust their arguments since “the debate is over”. Apparently snow in Malibu, Las Vegas and New Orleans doesn’t fit “warming” so now we’ll call it “climate change”. The fact that thousands of actual scientists jumping off this ship of fools in droves more and more indicates this. For example, over 600 have left the UN-dead’s IPCC body of crackpots umm scientists since 2008 as documented in “The THEorY of LIVEvolution” (and according to worldnetdaily.com this number has increased to over 900 here in 2009). Now by many SCIENTIFIC accounts we are headed for another ice age. Another is example are our banksta masters and the pickle they’ve

gotten themselves into. Just how are the foolish gang bankers who financed Mother Russia way back when at the Bolshevik Revolution AND Communist China as documented in “The THEorY of LIVEvolution” going to deal with over a billion starving people? Russia and China (and their “religion of peace” allies) have greedy leaders of their own and armies in strength of several hundred million. Think the gang bankers are having second thoughts for starting these genocidal monsters? What about the commoners in all countries who get caught in the middle of all this? Who will speak for them? This “conspiracy theorist” can’t begin to imagine how God the real One will deal with all of the innocent but I have to believe that if He created the Universe (which would include all of us) He has it figured out.

Again this isn’t pretty but what is God supposed to do? Leave us alone to our own volition and we have a worldwide train wreck waiting to happen. Get involved and put an end to this calamity and now He’s a vengeful and mean God. This scenario is illustrated in Proverbs 19:3:

The foolishness of man perverteth his way: and his heart fretteth against the LORD.

Who are you going to put your faith in, Barak Obama, his gang banker handlers and the rest of the fools at the UN-dead or God, the real One?

The choice is yours, take it or leave it.
