

Agree or disagree with the following information I guarantee you won't find anything like this anywhere else.

Important to note there are three principles to keep in mind for all my material:

1. The Bible is the infallible Word of God. End of story.
2. National Israel is NOT "God's Chosen People" or "God's Covenant People" as many so-called Christian leaders and profits of God keep saying. Jesus asked the Jewish leaders, "How can you escape being condemned to hell?" God's Chosen People, really? Hopefully if read this series of articles with an open mind you will begin to understand why I consider many in the Israel first re-build the Anti-Christ Temple in Jerusalem crowd woefully mistaken. Even if the Jerusalem Temple is formally re-built and the son of perdition takes up residence there it will be the culmination of 2,000 years of purely evil events and not the totality of those events which will be described subsequently.
3. The United States is beyond any doubt the MYSTERY, BABYLON spoken of in Revelation 17 and therefore in the center of Biblical prophecy and by extension today's, and tomorrow's, headlines.

I digress.

(Please note many profits of God claim anyone who questions the validity of Israel as "God's Chosen People" as anti-Semitic. My position is strictly Biblical; I personally respect and support the nation of Israel and its precarious existence as a nation).

## MYSTERY, BABYLON USA 5/17/16 (Updated February 2020)

### Introduction

If you're like me and have had enough of the profits of God and their comic book anti-Christ here's something to consider: There is not going to be some childish Damien from the Omen anti-Christ barking orders from a re-built Hansel and Gretel Temple in Jerusalem stamping the masses with triple sixes while Moses and Elijah run around on CNN shooting people down with Divine flamethrowers. Oh, and the good Christians get 'raptured' away from all of this, so they have nothing to worry about. And the US of A? Not involved in 'end times' events; it's not even mentioned in the Bible. This is a summary of many so-called and self-proclaimed 'prophecy experts'.

Another important point: national Israel *is not* to be deified as God's Chosen People. If these profits of God bothered to read the Bible beyond Genesis 12 and skipping to Revelation this would be readily obvious. I would concur that Israel's resettlement of the Promised Land starting in 1918 and culminating in nationhood in May 1948 IS a significant prophetic event but that's a whole story in and of itself. (Once again please note many profits of God claim anyone who questions the validity of Israel as "God's Chosen People" as anti-Semitic. My position is strictly Biblical; I personally respect and support the nation of Israel and its precarious existence as a nation).

Now let's get serious.

There is no doubt that not only is the US mentioned in prophecy "she" IS the great harlot and MOTHER OF ABOMINATIONS mentioned in Revelation 17. And the term "anti-Christ" never appears in Revelation. But the image of the beast does. And who better represents every reprehensible sin of mankind in a slick Garden of Eden like way? That would be our (now former) Nobel Peace Prize winning so-called Christian born-alive abortion homosexual marriage Saudi royalty bowing son of the Egyptian Osiris the one and only Obama-Soetoro-Soebarkah.

The situation in Syria is just one example of how close we are to the brink of a Biblical conflagration so let's look at it quickly. Lurking in the background O-bomball's compassion for the people of Syria is the fuel for World War Three. The sock puppet psychopaths including the mystery man of the hour himself and his band

of merry mass murderers umm merry-makers like John McCain want the Syrian “rebels” armed to shoot down Russian planes and Hillary Clinton the baby killer wants a no-fly zone established against Mother Russia. You know to promote “democracy” and “human rights” like this bunch did in Iraq and Libya. (But here those “human rights” would not extend to a helpless baby who was “born alive” if he has his way and this now extends to many high-level Democratic politicians including the governors of NY and Virginia).

And if Mother Russia weren't enough, he's goading China into a major war over questionable reasons in the South China Sea. So, we're being rushed headlong into World War 3 (this is now juxtaposed into the Chinese Corona Virus now affecting many countries around the world but let's stay on point).

Again, sorry to those waiting for their comic book anti-Christ; the image of the serpent is running circles around us while many of the so-called evangelicals keep looking elsewhere like the nation of Israel.

The upshot is this: “the whore” rides the beast and tries to control it with “filthy lucre” (the “Federal” “Reserve” crowd) but the beast (i.e., the world) hates the United States (the whore) for all its manipulations, hypocrisy, broken promises and psychopathic desire for endless wars and will decide to “burn her with fire”. Lest this sounds like some America hating George Soros like group of useful idiot clowns, there are a couple of other reasons why the world would want to get rid of the US. First, if you're going to control the world (or try to anyway) one must knock off the most powerful military in the world or if at least the nation behind it (2020 update: Corona Virus anyone?) to soften things up. And to top it off there's jealousy. A jealousy not of today's 'deep state' controlled America just mentioned but of the remnants of the nation formerly known as America, mine and your America before the Federal Reserve crowd termites turned it into the Godless, atheistic, hollowed out and divided nation it has become.

So does this sound like a plausible scenario?

Does this sound like Revelation or current events?

Or both?

## **MYSTERY, BABYLON USA Part 1 The O-bama-Nation of Desolation 5/24/16**

In a recent article I make the case why there's absolutely no doubt that many of the more well-known prophecy scholars are just plain wrong on just about everything. This goes especially for those clueless wonders that refer to today's national Israel as "God's Chosen People". But there's time for that in a future article. The point here is that if Israel is not the focal point of the Revelation like so many of the experts claim then who is? My contention is there is absolutely no doubt that MYSTERY, BABYLON is none other than the US of A.

People may ask how the US can be the evil entity described in Revelation. For starters, the US not only funded Hitler but gave him a lot of his ideas about eugenics and racial hygiene (or that idea that white northeastern liberals and Bill Gates should run things and ultimately decide who lives and who dies). This is covered more deeply in my second book *The UN-American Genocidal Complex* posted on my web site.

And it wasn't just the Nazis that the Anglo-American "Grand Chessboard" players (to quote a book title written by Rockefeller Eastern Establishment underling Zbigniew Brzezinski) set up. The Theory of Evolution was used as the so-called scientific battering ram to eviscerate God out of many societies (including ours) and used as justification by Karl Marx, Lenin, Stalin, and Mao (several hundred million killed between them) to position the state as God's replacement. Hence many Anglo-American eugenicists are indistinguishable from the likes of Adolf Hitler. Hitler just made the mistake of being open about his beliefs...and open about implementing them.

The point for now is the unmitigated evil that evolution has spawned and the fact that its origin was right here in America (with lots of help from our evil twin, England).

Let's get to the 'abomination of desolation' or the O-bamanation of desolation.

First, let's get this straight: There is no singular anti-Christ mentioned anywhere in Revelation as many of the profits of God have led us to believe. It's only mentioned in 1 and 2 John and then in the context of a 'spirit of anti-Christ'. So even if there

will be a one world charismatic leader barking out orders from a re-built Solomon's Temple in Jerusalem it will be the *culmination* of the works of Satan over the last two thousand years and not the *totality* of those works. (Some of the examples of these ongoing works would be say endless wars, abortion, The UN-American Genocidal Complex, Hitler, Stalin, Mao and on and on).

But there is an "image of the beast" mentioned in Revelation.

And what better way to describe the multi-named scam in the White House but as an image? Let's take a brief look at this man of mystery:

#### **A. He has at least 3 places of birth Kenya and two separate hospitals in Hawaii**

##### 1. Kenya

*Kenyan-born Obama all set for US Senate* (Sunday Standard, Sunday June 27, 2004 <http://standardmedia.co.ke/>). The headline is self-explanatory.

##### 2. Kapi'olani Hospital in Honolulu, Hawaii

*Hawaii governor announces 'exact' place of Obama birth* (WorldNetDaily, May 5, 2010 wnd.com)

The article quotes then governor of Hawaii Linda Lingle who claims, "the president was, in fact, born at Kapi'olani Hospital in Honolulu, Hawaii."

##### 3. Queen's Medical Center, Honolulu, Hawaii

*News sites swap Obama's birthplace like magic: UPI, Snopes change location within hours of WND report* (WorldNetDaily, July 30, 2009 wnd.com)

The article posts a screenshot of Snopes.com which lists Queen's Medical Center in Honolulu as Obama's birthplace.

#### **B. The birth certificate posted by the White House itself has multiple anomalies**

This horse has been beaten, the use of terms that weren't even employed in 1961 when this fraud was allegedly born, the font that comes from a typewriter that didn't

exist in 1961, etc. (See WorldNetDaily *Deception evidence reaches Oval Office? July 11, 2011* and *Irrefutable proof of Obama forgery July 17, 2011* on wnd.com)

### **C. Obama never attended Columbia University**

Nobody can remember this con man with all the charisma who supposedly attended Columbia University in the early 1980s, he doesn't appear in any school photos or yearbooks, etc. James David Manning who operates Atlah Ministries in Harlem, New York City convened a citizen's grand jury that vetted all the information or lack thereof on Obama's supposedly undergraduate school (<http://atlah.org/?s=Columbia&x=27&y=13>).

### **D. Obama's Social Security Number is open to speculation**

Many sources claim the number he's currently using is for a dead guy in Connecticut, a state he never lived or worked in. And the sitting president can't even get past E-Verify. *E-Verify 'flags' Obama's Social Security Number* (WorldNetDaily, September 12, 2011 wnd.com)

### **E. Everyone calls him Obama**

His common name is Obama, but this guy has more names than a Manhattan phone book. Some of these include Barack Obama, Barack Hussein Obama, Soebarkah and Barry Soetoro.

See *How many names does the president have?* (WorldNetDaily, August 19, 2010 wnd.com)

### **F. There are multiple theories concerning the identity of his real father**

Malcolm X, the exchange student from Kenya, some religious leader from Asia whose name escapes me right now and on and on. The point isn't to go down another rabbit trail trying to figure out yet another mystery as to who this guy really is. The point is that we have a sitting president who is so mysterious we don't even know the identity of his actual father.

## **G. His own 'autobiography' was probably ghost written**

WorldNetDaily writer makes the case that Obama didn't even write his own autobiography, "Dreams From My Father". And he also makes the case that the entire timeline of Obama's life doesn't add up. Again, this is another rabbit trail I won't go down as others have. The point is the once again the mystery and questions surrounding Obama seem to have no bounds.

And of course, Obama has spent millions fighting Freedom of Information Act requests and lawsuits aimed at obtaining anything about his background including a physical birth certificate, college transcripts, social security records, employment records, etc.

In summary, we have established Obama's background and very identity are a combination of endless enigmas and complete fabrications. The guy spans the complete spectrum of human depravity. Consider this: his evil spans from taking us to the brink of World War 3 with Russia and China to voting *against* something called The Born Alive Infant Abortion Protection Act....four times.

## **Mystery Babylon USA Part 2 -- The Obama-Nation of Desolation Is Here and You Need to Pay Attention Part 2**

Thursday, May 26, 2016 4:59

Previously it was established that Obama is really nothing but a mirage, an image if you will.

In addition to pointing out soon to happen current events as spelled out in the Bible's cryptic language I will continue to explore why I believe Obama is the prime candidate for the image of the beast mentioned in Revelation 13 (but again NOT some comic book "anti-Christ").

But I digress. Let's look at what God considers an abomination in the Book of Proverbs chapter 6:

<sup>14</sup> Frowardness is in his heart, he deviseth mischief continually; he soweth discord.

<sup>15</sup> Therefore shall his calamity come suddenly; suddenly shall he be broken without remedy.

<sup>16</sup> These six things doth the LORD hate: yea, seven are an abomination unto him:

<sup>17</sup> A proud look, a lying tongue, and hands that shed innocent blood,

<sup>18</sup> An heart that deviseth wicked imaginations, feet that be swift in running to mischief,

<sup>19</sup> A false witness that speaketh lies, and he that soweth discord among brethren.

I threw in the part about "his calamity came suddenly" as this jibes with the proper interpretation of Revelation 17-18 as to the final judgment of MYSTERY, BABYLON.

In the Bible numbers have deep meaning. The number 7 implies Divine completeness (the most obvious examples include the 7-day creation period and Joshua's 7-day march around Jericho led by 7 priests before ravaging the whole place) and it's pervasive throughout Revelation. In this case if it can be established that someone meets all 7 characteristics it would mean that person is a complete abomination in

God's eyes. Let's look at these 7 characteristics listed and see if Obama is an "abomination" by the Proverbs 6 standard.

1. A proud look - Obama, not unlike all self-serving political whores, craves the camera. But he seems to relish the limelight more than the rest of the cockroaches. And it's hard to ignore the ease and comfort he conveys as he talks down to us little people.

Number 1, check.

2. A lying tongue - All politicians lie but this guy takes it to a new level. He knows he's blatantly lying as he's speaking and then he has the audacity to laugh about it. The first one is the "if you like your plan you can keep your plan" bullstuff and who can forget the image, no pun intended, of Obama laughing at the \$800+ billion that was spent on 'shovel ready jobs' that weren't there. Basically, every time this guy speaks, he knows he's lying and everyone around him knows he's lying. But the Obama reality show goes on.

Number 2, check.

3. Hands that shed innocent blood-This is almost too easy. In addition, the endless wars this guy carries over like a good little president he voted AGAINST something called The Born Alive Infant Abortion Protection Act while an Illinois state senator....four times. So, the first so-called black president takes Hitler fan Margaret Sanger's self-proclaimed 'negro project' American Birth Control League (which we know today as Planned Parenthood) to a whole new level. As if literally sucking the blood out of a partially born baby were not enough, he would legalize killing them AFTER they're born.

Number 3, double check.

4. A heart that deviseth wicked imaginations. Just look at what this psychopath is doing to this country and in fact the world. His insane actions on everything from legalizing and mainstreaming pedophilia to sinking us into economic oblivion to goading Russia and China into World War 3 are indicative of one whose imaginations are on a level of wickedness equal to Satan himself.

Number 4, check.

5. Feet that be swift running to mischief. This guy can't get enough of running around the world and normalizing relations with other evil regimes while spreading hatred and discord wherever he goes. And he's always one for making deals with every scummy regime in the world like Iran while literally bowing to others like Saudi Arabia and then maybe taking in a Bilderberg Conference or two. And who can forget his numerous visits to the UN-Dead,

the Rockefeller established conglomeration of nature freaks, tin pot dictator thugs, devil worshippers and psychopaths at the United Nations.

Number 5, check.

6. A false witness that speaketh lies. This would seem to overlap with 2 above but there's some deeper meaning here. The two witnesses of Revelation were speaking of God. Here this abomination is witnessing about himself as he proclaims that he himself is God. I'm going to go out on a limb here; Obama is so corrupt and self-aggrandizing that he really does believe he is God...and can anyone watching him deny his unprecedented arrogance?

Number 6, check.

7. He that soweth discord among brethren. Can anyone deny that this guy thrives on friction and feeds on animosity between groups? He attacks and belittles his own country; the same one that handed him the presidency (well he had a lot of help from the Eastern Establishment but that's not the point right now). He pits rich against poor with his self-proclaimed "spread the wealth" mantra. He bends over backwards to assist illegals, not help them but rather to make them wards of the state. This then pits them against US citizens as the latter are robbed at gunpoint by the IRSS to pay for it all. He conjures up things like the 2009 Missouri Information Analysis Center (MIAC) Report, which forces law enforcement to bust law-abiding citizens for say opposing abortion or the illegal Federal Reserve scam. He stokes the fires of racial animosity every chance he gets so now we have black versus white to add to all this. He forces parents to fight with their school boards as their kids are forced to situations where grown men can legally walk and gawk in the girls' locker room. And on and on it goes.

Number 7, check.

With sinful man it's undeniable that throughout history and even amongst the scummy politicians of today many fit all 7 of these characteristics but this guy takes a lot of it to a new level.

And much more importantly he happens to be the president of the ONLY country in world history founded on Godly principles and the Bible. Our founders, while imperfect, did hand us the greatest political system in the history of the world; a system firmly based on the Old and New Testaments. And then the slick packaged con man comes and takes a wrecking ball to that whole system. God will not be mocked says Paul in Galatians. This guy not only mocks God and His body, the

Christians (and no for the thousandth time NOT national Israel), but he rips Him out of society and spits on Him as he throws Him out the door. And don't forget the time he had the image of a crucified Christ covered over as he gave a speech at the University of Notre Dame...

Check out this passage from Matthew 11:

<sup>20</sup> Then began he to upbraid the cities wherein most of his mighty works were done, because they repented not:

<sup>21</sup> Woe unto thee, Chorazin! woe unto thee, Bethsaida! for if the mighty works, which were done in you, had been done in Tyre and Sidon, they would have repented long ago in sackcloth and ashes.

<sup>22</sup> But I say unto you, It shall be more tolerable for Tyre and Sidon at the day of judgment, than for you.

<sup>23</sup> And thou, Capernaum, which art exalted unto heaven, shalt be brought down to hell: for if the mighty works, which have been done in thee, had been done in Sodom, it would have remained until this day.

<sup>24</sup> But I say unto you, That it shall be more tolerable for the land of Sodom in the day of judgment, than for thee.

For the record Sodom was hit with a Divine hailstorm. Here Jesus is talking to God's so-called Chosen People but just discussed the US of A was at one time a political miracle founded on Biblical principles. How much worse are we than even the Jewish religious leaders that were about to crucify Him to whom He was speaking to live?

This explains why God will allow a military coalition of our enemies (which is just about the entire world right now) to undertake a sudden nuclear and/or EMP attack (and maybe some cyber-attack or mysterious virus thrown in for good measure) that will be absolutely well Biblical in nature as the entire country falls into the utter chaos wrought by such an event. And for the record it's not God's fault; it's ours for allowing the framework for all this to fall into place.

## The Obama-Nation of Desolation Part 3: The "Sun" of God

Friday, June 3, 2016 3:35

On my web site refer to this link for background for a foundation for this article,

<http://www.theoryoflivevolution.com/occultismofnumbers.html>

For our purposes here the upshot is that our criminal overlords are obsessed with numbers. In fact, the aforementioned video makes the case that the Tree of Knowledge of Good and Evil wasn't some silly apple tree but a symbol of the "knowledge" of God's creation or the ability to use numbers to build anything and understand everything. *This* is why those involved in the occult which would include our criminal Illuminati overlords are so obsessed with numbers and numerology. Keep in the back of your mind Genesis 3 where Satan tells Adam and Eve, "your eyes shall be opened ye shall be as gods".

For this relatively short article here are a few numbers that tie to Barack Obama-Nation:

**30:** Check out this quote:

*We predict a mystical-pantheism as the religion tomorrow...There will not be churches, but a church...Since the earth is the habitat of humanity, it is also the common property of all men...The World State will provide and maintain community hospitals, sanitariums, and clinics...Physicians will be paid by the state and their entire professional services will be absorbed by the state...Every citizen will enjoy these health benefits and guarantees...Quotas will be placed upon all professions, in each of the zones of the world state (Rosicrucian Digest, June 1941 quoted from "Masonic and Occult Symbols Illustrated" by Dr. Cathy Burns, p 178)*

Sounds just like Obama-Nation Care doesn't it? Well it just so happens that the bane of all "conspiracy theorists" known as Skull and Bones carries as its logo the infamous 322. And this number just so happens to be the founding date of the Georgia Guidestones, March 22, 1980. (The Spring Equinox is generally regarded as March 22 and is associated with the Mother Goddess Egyptian goddess Isis, Greek Artemis, Roman Diana, e.g., the Whore of Babylon).

Very briefly, the Guidestones located in Elberton Georgia are considered America's Stonehenge. In the way of background, it will help if you take the time to read this link on my web site.

[http://www.theoryofliveevolution.com/files/322\\_Georgia\\_Guidestones.pdf](http://www.theoryofliveevolution.com/files/322_Georgia_Guidestones.pdf)

The Guidestones are pictured on the front cover of my second book, "The UN-American Genocidal Complex"

For our purposes here the Georgia Guidestones have etched in stone what I have dubbed "The Anti-10 Commandments" which basically call for the elimination of 90% of the world's population and the establishment of a world government for the 10% that's left. The man who facilitated the construction and provided the funds was a mysterious character that went by the name Robert Christian whose initials RC is symbolic of the Rosicrucians.

The point right now is that Obama-nation Care was completed on March 22, 2010 and signed into law on March 23, 2010 or exactly 30 years to the date of the founding of the Georgia Guidestones. According to Luke 3:23 Jesus began His ministry at 30 years of age.

Some may recall everyone asking what the big rush is to get the so-called healthcare bill signed so fast. It was as if there was some mysterious deadline. In isolation this may very well be a coincidence. But in the aggregate, it fits right in with this "image of the beast"...

**44:** In "The Secret History of the World" Oxford historian Mark Booth indicates that 44 represents the unification of male and female based on the numerology of "Ancient" Hebrew. The Greed god Hermes or the "sun" of god represents the unification of male and female or the Rose and the Cross, respectively (see brief discussion on the Rosicrucians above). And now it's 2016 in [MYSTERY, BABYLON USA](#). Interestingly enough Mr. Booth also equates the hero of Freemasonry Hiram Abiff with the aforementioned Robert Christian (or "Saint Germaine" who was discussed at length in Section 3 of "[THEorY of LIVEvolution](#)" available for a small donation on my web site). And of course, we have the unknown man of mystery the enigmatic Obama-Nation

coming out of nowhere to be the 44<sup>th</sup> president of these United States. And Hiram Abiff equates to the Egyptian sun god Osiris who in turn equates to copious other sun gods throughout the world past and present including the Babylonian Marduk, Canaanite Baal, the Egyptian On and Ra, the Greek Apollo (think Apollyon from Revelation Chapter 9) and Zeus and the Roman Jupiter amongst many others. These all equate to the 'Divine Father' in all these cultures. And of course, several of these sun gods relate to a certain golden calf of Exodus if you believe that sort of thing. And finally, 44 also represents the son or 'sun' of the sun god Osiris known as Horus.

**216:** In Chapter 2 part 1 (link above) it was established that this guy's birthplace AND birth certificate are complete mysteries. So, he has no 'official' birth date. But he claims August 4 as his birthday. Well this just so happens to be the 216<sup>th</sup> day of the year. And it just so happens that  $6 \times 6 \times 6 = 216$ . This is VERY significant in this context. Where else do we see three 6s? Why of course Revelation 13 where it tells us to calculate or count the number of the beast. Well we have  $6 \times 6 \times 6$  here AND  $6 + 6 + 6 = 18$  just so happens to represent the 18<sup>th</sup> or Rose Cross (i.e., Rosicrucian degree) of Freemasonry. Circle back to Robert Christian and the Georgia Guidestones discussion above.

So let's take a look at whom we have running the White House: a complete enigma born on the  $6 \times 6 \times 6$  day of the year who "The Establishment" paraded in front of "the imbecile majority" as "our" next leader who just so happens to be the 44th President who brought us the Rosicrucian based health care debacle 30 years to the day of the founding day of the Georgia Guidestones that call for the death of 90% of humanity that were founded on Skull and Bones day, 3/22 or March 22, 1980.

The following list regarding the Obama-Nation man of mystery was discussed in Part 2 of this 'book' and is reproduced here for convenience:

1. At least 3 documented places of birth

[-Kapi'olani Medical Center \(Obama letter to Kapi'olani 1/24/09\)](#)

[Queens Medical Center \(Snopes.com 7/7/09\)](#)

[-Get in the Fight! Tithe to our Ministry and Help Finish Recording God's Word Seen on Every Page!](#)

[-Kenya \(NPR 10/9/08, Nigerian Observer 4/11/08, Kenya Sunday Standard 6/27/04\)](#)

2. Has yet to produce a valid birth certificate from Hawaii. Multiple document experts have stated the one produced in April 2011 is a fraud.
3. The story of the Birth Certificate itself has changed multiple times.
4. His latest of multiple social security numbers is registered for a deceased man in Connecticut, a state where he never resided.
5. His Selective Service Registration has multiple anomalies and anachronisms.
6. WordNet Daily writer Jack Cashill claims his “autobiographies” are ghost written
7. Harlem pastor James David Manning has established there are no records or people that can establish he was ever at Columbia University his supposed undergraduate school.
8. All his academic records from kindergarten through college are sealed.
9. Also sealed: adoption records, medical records, Illinois state senate records.
10. As a supposed Chicago sports fan couldn’t name a single player on his supposed favorite Chicago White Sox.

In isolation any one of these doesn’t amount to much (realize whole books have been written about his mysterious background so these just barely scratch the surface). But in the aggregate, they raise a very disturbing reality: we literally don’t know who this guy is.

This “conspiracy theorist” will be happy if we just get his name right. Let’s look at some of the candidates:

- Barack Obama
- Barack Hussein Obama
- Barack Hussein Obama II
- Barry Soetoro
- Soebarkah

These first five have been documented; here are some more guesses:

- Tehuti
- Thoth
- Anubis
- Horus
- Moloch
- Baal
- Hermes Thrice Great
- Bacchus
- Hiram Abiff
- Krishna
- Odin
- Jubalon
- Master M
- Saint Germain
- Robert Christian
- Christian Rose Cross
- The “Great One”
- The “Hidden One”

This conspiracy kook will settle for Leeland Gaunt of Steven King’s movie “Needful Things” (which will be the focus of the next article).

For now, we shouldn’t be surprised he has so many names; after all he takes after his mother, she of 10,000 names. Speaking of his mother, she is represented by the silver moon and the right column of Freemason symbolism. This recalls the Egyptian goddess Isis or the Queen of Heaven...the MOTHER OF HARLOTS or Whore of Babylon. And we’ve already discussed his symbolic father or sun god above.

Here are the columns of the Freemasons: Father sun god Ra/Osiris/Mithras/Zeus/Jupiter etc. on the left and Mother moon goddess Isis/Diana/Gaia/MOTHER OF HARLOTS etc. on the right with their “sun” Horus or all-seeing eye in between...yes it’s the same open eye on the back of “your” dollar bill. The same eye mentioned by a certain serpent in the Garden of Eden features prominently. I’ll let the word LUCIFER speak for itself:

(image taken off Google)

Archway of Baal (September 2018) looking directly at the goddess Minerva as she stands above a pregnant goddess Columbia (think Gaia, Isis, Mother Earth, etc. or THE MOTHER OF HARLOTS for short) otherwise known as the Capitol Dome (image from eyeopeningtruth.com). And what stands behind this photo? The 555.0 foot (6,660 inch) tall erect phallus of Baal/Osiris/Apollo which we can assume ‘impregnated’ Columbia otherwise known as the Washington Monument.

And here is our image of a president brought to us by our very own Brotherhood of Death, the 322 boys at Skull and Bones as he’s placed between the sun and moon columns. This is basically telling us imbeciles, “here is your sun god (Pharaoh) brought to you courtesy of us, your controllers”:

(image taken off Google)

Finally, regarding this multi-named image occupying the Oval Office we must ask our Skull and Bones Illuminati overlords, “Is this the man”?

## The Obama-Nation of Desolation Part 4: What's Your Needful Thing?

Wednesday, June 8, 2016 4:51

Although he lives in Maine, Steven King is a typical Hollyweird liberal progressive hack. But I must admit I am a fan of many of his books and movies and respect his intelligence (I also respect Hillary Clinton's intelligence...). Anyway, in "Needful Things" he wrote the book and the movie on one Barack Obama-Nation, the consummate image of the beast (not the comic book anti-Christ for the umpteenth time).

The basic plot of the movie is a mysterious character by the name of Leland Gaunt pulls up to a sleepy New England town in his long black Cadillac and sets up in a small novelty store. People are attracted to Gaunt's alluring personality as well as all the 'free' stuff Leland has for them. Little Johnnie sees a comic book and Leland already knows he's attracted to it. So, Johnnie gets his comic book for 'free', but he must do Mr. Gaunt a favor. Mr. Smith did this so go slash his tires. Then Mr. Smith comes in later and sees say a new TV. Gaunt gives him the 'free' TV but tells him Mrs. Jones slashed his tires. So, Smith throws some rocks through her windows. Mrs. Jones comes in for a different trinket which of course she gets for "free" but it was Mr. Jackson who broke her windows so she might go and kill the man's cat. Ultimately the entire town is driven to the point of utter chaos as people come out into the streets looking for blood and revenge all due to the mysterious Leland Gaunt and his manipulations. And Leland glides off in his black Cadillac unharmed in the end.

It has been a few years since I've seen the movie so the aforementioned isn't entirely accurate but the point is that Leland Gaunt (an obvious symbol of Satan himself) controls the townspeople the way Barack Obama-Nation controls the nation via the "free" money issued by the scam Federal Reserve system. Think about how he (and by extension the system behind him) manipulates the entire population. He heaps hundreds of millions of dollars on illegal aliens, but veterans are literally left out in the cold to die. There's enough money to keep millions dependent on welfare while working class people are saddled with the taxes to pay for it all. This engenders hatred between these two classes of people. Social security and pensions of American

workers are cut but we have trillions to give away to the “free” education system and welfare state. Millions are kept dependent on “free” welfare and more hatred is developed. Old people demand that their social security payments be kept up but young people, who know they’ll never get social security, now hate the old people because they’re living too long. So now we have young versus old. Or the most popular seems to be ‘tax the rich’. The term “rich” is never clearly defined and it seems that most Americans define as anyone having more money than them. So now we have “rich” versus “poor”.

And the son of a white mother makes racial tensioning an art form. He doesn’t try to rationalize with people and bring them together. Instead he brings the useful idiot Al Sharpton into the White House. Whole books can be written on this guy but suffice it to say if you want to fan the flames of white versus black animosity media whore Al is your guy.

Barrack Obama-Nation didn’t give us this “Needful Things” system but he is taking the ongoing minority versus white, citizen versus non-citizen, young versus old conflicts to a whole new level. Where this is all leading us is to absolute mayhem of a Black Friday event times a million. There will be hatred, discord, rioting and conflagration of Biblical proportions when the “free” money of Leland Gaunt’s Federal Reserve system goes bust. But people won’t understand; they’ll believe what the politicians like Obama-Nation have been telling them, it’s “the rich” or “white privilege” or whatever it takes to bring about the utter chaos from which our criminal Illuminati overlords will seek their order. In other words, the climax of “Needful Things” is what is headed our way. And when the rest of the world sees this societal breakdown and nobody really steering the good ship US of A they may start to wonder who really controls things around here like say the most powerful nuclear arsenal in the world. This would seem to invite a pre-emptive attack by an entire world that either hates us or will look at us as some kind of national insane asylum.

Just like his ideological father, Satan himself, Obama-Nation feeds off the hatred; he craves it. It is his very lifeblood. His mentor, the white liberal devil and hero of one Hillary Clinton, Saul Alinsky literally dedicated his book “Rules for Radicals” to Lucifer.

Maybe there's more to that than some kind of sick joke.
